

MOTORIZED VEHICLES - New for 2018 - A Permit is required. All motorized transportation (wheelchairs excluded) will need to check in at the pro shop for a permit. To obtain a permit you must produce a valid driver's license and proof of \$300,000 "off premises" liability insurance. The use of motorized transportation vehicles by non-shooters will not be permitted on or near the shooting fields during Zone Shoot competition and shoot-offs. **Bonafide** shooters, shoot management, and shoot personnel will be permitted to use motorized transportation vehicles, provided they possess a permit and make every effort to minimize the use of these vehicles when possible during any actual shooting competition. The policy does not apply to wheelchairs. Wheelchairs (motorized or not) will always be permitted at all times on the grounds during the zone shoot. Your cooperation in these rules will help maintain safety and will be greatly appreciated.
