

Setup: Rifle in passenger seat, loaded with 4 rounds. Pistol loaded. Shotgun staged on table.

Start: in driver's seat, hands on steering wheel. (Windows will be removed.) Grab rifle, make 4 hits on black chestplate. Rifle will run dry. Exit vehicle, move to rear of vehicle, reload rifle, move to rear of second vehicle. Your choice of left or right side. Flip the dueling tree plates with rifle. Bench rifle. Run and jump/climb through the window in front of the vehicle. Move to a marked shooting position approximately 15 yards from the dueling tree and flip the plates with pistol. Move to another marked position approx. 10 yards away from dueling tree and flip tree plates. Run to table with shotgun, load and knock down 3 large targets. Draw pistol and knock down the one remaining headplate to stop the clock.
