

Setup: Pistol only, 4 magazines of 6 rounds each.

Start 5 yards behind the blue barrels with pistol holstered. On buzzer, move to either Left or Right shooting position, Flip the blue head plate over the hostage shoulder then double tap the black chest plate (This sequence of shots will be the same at each shooting position). Move to Center shooting position and engage targets in same sequence. Continue through 5 shooting positions. The order of the 5 positions will be one of the following:

- A. Left, Center, Right, Center, Left
- B. Right, Center, Left, Center, Right
