

Table with 870 shotgun and your rifle

Stage 1: **Child's Play**
Rifle : 8
Pistol: 15

START

Setup: Rifle on the table, bolt closed, safety on, with 4 round magazine lying next to it on the table. Spare rifle mag on person. Shotgun, bolt closed, safety on, lying on the table with loose ammo next to it. 5 round magazine loaded in pistol in holster.

Course of fire: Move from Start to the table. Along the way, use pistol to knock down nine steel circles. The orange line will be your left limit of advance. You may shoot the circles from any position without violating the 180 degree rule. Once arriving at the table, grab rifle, load the 4 round magazine lying on the table and make 2 hits on any two of the black chest plates. The rifle will run dry after 4 shots. Transition to your pistol.(Sling rifle or lay it on the table.) Make up for any rifle misses and then knock down the 6 blue headplates. Holster pistol, reload rifle and make 2 hits on the remaining two chest plates. Bench or sling rifle, retrieve the shotgun, load and knock down the one green steel target. Finished.
