

Setup: Rifle staged on the table. Empty with bolt closed and safety on. Loaded mag lying next to it. Spare rifle mag on your person. Pistol loaded and in hand. Spare mags on person.

Course of Fire: On the buzzer, while staying within the red arc, make two hits on each chest plate and flip the dueling tree with pistol and again with rifle. You can do so from any position and in any order. All hits must be made AND rifle must be lying on the table for time to stop.
