Thank you for choosing Jacksonville Parks and Recreation for your swimming lessons.

When you sign up for swimming lessons we will circle the session and time in order to help you keep track of the sessions that you have paid for. We have a limited number of spots and they fill up quickly. **It is important to know that there will be no make up classes or refunds given.**

When arriving for swim lessons feel free to enter through the pool doors which are located on the south side of the building. These doors will get you on the pool deck, please meet the instructors by the bleachers in order to sign in for that days class. If you enter through the main doors you will need to be dry and wearing shoes and a shirt when entering and exiting. Family change rooms are available as well as locker rooms. Please be on time for class and use restrooms before class time in order to make each class as productive as possible. **If the swimmer has long hair, please tie it back or wear a swim cap. Goggles should be tight fitting and are recommended for Levels 2-6.**

If you have any questions or concerns we are happy to talk with you in person, by phone 501)982-4171 or email dnovotny@cityofjacksonville.net

Happy Swimming,

Diane M. Novotny
Aquatics Manager
